## Frequently Asked Questions

Q: How soon after the wedding will my pictures be posted on the website?

A: Typically 7 to 10 days.

Q: How soon after the wedding will my 4x6 picture proofs be available?

A: In about 7 to 10 days.

Q: How long will it take to receive my completed wedding album?

A: Once you pick out the pictures that you want from the proofs, I will order your monogrammed album and enlarge the pictures. This will take about 15 to 30 days.

Q: How will I receive my wedding proofs?

A: You will receive a set of 4x6 prints. You can also receive the proofs on a CD for viewing on your computer or you can view them on my website.

Q: What is your web address?

A: jamesphotography.org or <http://jamesphotography.org>.

Q: How do I view my proofs online?

A: Click on the proofing page tab and then click on your name or code.

Q: How long will my proofs be available online?

A: I will leave it up as long as you require.

Q: Can family and friends order pictures from the website.

A: Yes they can. This will eliminate you from having to collect picture orders and submit them to me.

Q: How many photographers will I have during my ceremony?

A: This depends on the size of your ceremony. For most weddings there will be two, but for a small intimate ceremony there will be only one.

Q: Is there a deposit due?

A: Yes you are required to pay a deposit when you sign your contract in order to reserve your wedding date.

Q: What are the payment options?

A: You can pay by cash, check or major credit cards. There are two payment plans.  
(1) 50% deposit with the balance due on or before your wedding date.  
(2) 1/3<sup>rd</sup> deposit, 1/3<sup>rd</sup> payment and 1/3<sup>rd</sup> balance due on or before your wedding date.

Q: What type of packages do you offer?

A: We don't offer pre-made packages. You start with your wedding day coverage and then choose the album and other options to fit your needs, style and budget.

Q: What style wedding albums do you offer?

A: I offer the traditional matted wedding albums ranging in size for 4x6 to 10x10 print sizes. I also offer the new and very popular custom designed digital flush mount montage albums. This type of album lends itself to the photo-journalistic style, with each custom page designed to tell a story. You can watch your wedding day unfold from beginning to end. Montage albums range in size from 8x8 to 11x14 picture size.
